January 2015

---

Hello All! It has been much to long since we have last written. I hope all have you have a great Holiday & New Year season!

I would like to start out saying Thank You to all of the great members who contributed this last year! 2014 was a busy year; with a great many things accomplished.

This Wednesday, January 21st, we will be meeting at Trig's to finish cleaning up the Christmas display. The club will then be meeting at the depot as usual from January 28th and on. The January business meeting will be held on the 28th at 7 PM. Due to the usually busy season and setup at Trig's; Elections of Officers will be held during this business meeting.

## **Holiday Display**

On December 5th, the RRA opened its doors this last Christmas season for the third annual open house in the Trig's Riverwalk Mall, in the former Joanne Fabrics storefront.

Using the space donated by Trig's, we were once again able to put on a fun-filled display that included multiple club layouts, including the RRA's portable layout. Santa, who was played exceptionally well by Alan Duchrow, visited every weekend.

The store was open to the public every Friday, Saturday, and Sunday from December 5th through January 4th. I am glad to report the event was well regarded within the community, with many smiling faces. Our name gets out, new members are found, and the club raises the money it needs. A big Thanks goes to everyone who helped make the event a success.
